

TAKISAWA - LA-250YS - 2019

	Manufacturer: TAKISAWA
	Type: LA-250YS
	Year of manufacturing: 2019
	Parameters: max turning diameter 370 mm

Description:

TAKISAWA - LA-250YS - 2019

- number of spindles 2
- swing over bed 600 mm
- max turning diameter 370 mm
- spindle speed 3500 rpm
- bar dia max 75 mm - main spindle; 52 mm - subspindle
- turning length 737 mm
- turret 12, all driven, 4000 rpm
- operating hours 2.305
- FMB Turbo 8-80 barfeeder
- weight 8000 kg (only the lathe)
- condition excellent (used)
- fully functional
- additional equipment: collet systems on both spindles, barfeeder, filter, high pressure pump, spindle cooling, part catcher, part conveyor, crane for heavy materials, tool holders, collets
