

## DECKEL MAHO - DMC 635V - 2007

|                                                                                  |                                                 |
|----------------------------------------------------------------------------------|-------------------------------------------------|
|  | Manufacturer: <b>DECKEL MAHO</b>                |
|                                                                                  | Type: <b>DMC 635V</b>                           |
|                                                                                  | Year of manufacturing: <b>2007</b>              |
|                                                                                  | Parameters: <b>spindle speed 0 - 8000 /min.</b> |

### Description:

#### DECKEL MAHO - DMC 635V - 2007

- controller Sinumerik 840D
- table surface 790 x 560 mm
- X-direction movement 635 mm
- Y-direction movement 510 mm
- Z-direction movement 460 mm
- spindle speed 0 - 8000 /min.
- number of controlled axes 3
- through-spindle cooling no
- spindle taper SK 40
- tool changer yes
- number of tool magazine locations 20
- rapid feed 30 m /min.
- dimensions length x width x height 3300 x 2905 x 2705 mm
- operating hours 19478 h
- machine weight 4500 kg
- was mainly used in one shift, in individual production
- is usable, but over time the Z axis will need to be renovated
